

# 1905, 1906, 1912

## Brennabor

is the Wendish (old German) name for Brandenburg in Germany and a large

## Car Company

Opened in 1871 to build prams and baby buggies, Expanded into bicycle production in the 1880's and 90's and in 1900 sold 20,000 bicycles and 120,000 prams. Began large scale car production in 1908, also produced motorcycles and the occasional rail vehicle.

Can anyone add to what I have found ?

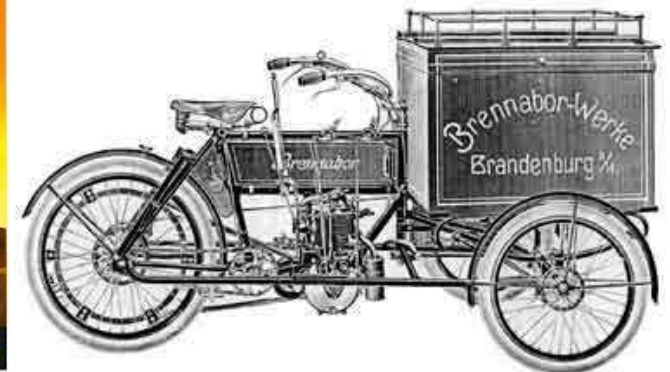

Prams and folding buggies
